

Patron

Dr. Shoaib Ahmad

Member (Physical Sciences), PAEC

Secretary

Dr. M. Javed Akhtar, PS, PD

Advisory Committee

Dr. Jamshad Hussain Zaidi

Director General, PINSTECH

Dr. Javed Iqbal Akhter

Director Science, PINSTECH

Engr. Nisar Ahmad

Director Technology, PINSTECH

Dr. Javed Bashir

Project Director Phase-II, PINSTECH

Technical Committee

Dr. Javed Iqbal Akhter, Director Science (Convener)

Dr. Nazar Hussain, DCE, Head MD (Member)

Dr. Gulzar Hussain Zahid, DCE, MD (Member)

Dr. M. Nasir Khan, PS, PD (Member)

Dr. M. Nadeem, PS, PD (Member)

Mr. M. Siddique, PS, PD (Member)

Dr. Tariq Yasin, PS, PIEAS (Member)

Organizing Committee

Dr. Maqsood Ahmad, DCS, Head PD (Convener)

Dr. Shahid Khan Durrani, DCS, MD (Member)

Dr. M. Iqbal, PS, PD (Member)

Ms. Rubina Shaheen, PS, PD (Member)

Mr. M. Arshad Farhan, SS, PD (Member)

Dr. Ejaz Ahmed, SS, PD (Member)

Mr. Naeem ul Haq Tariq, SE, PIEAS (Member)

Symposium on Materials Research at Nilore

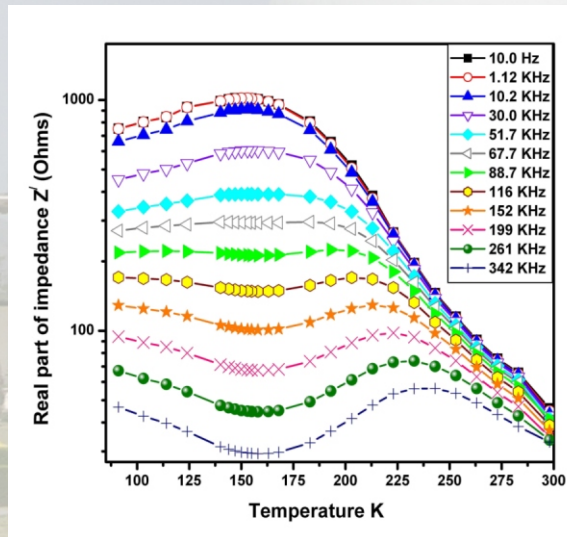

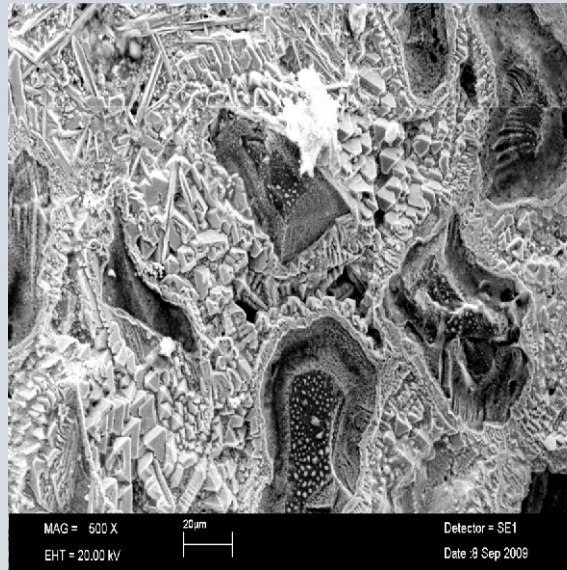

03-04 August 2010

Pakistan Institute of Nuclear Science and Technology

Theme

Various groups at Nilore Complex are involved in R & D work on various aspects of materials. The results have been published in refereed journals of repute. The researchers of PINSTECH are also involved in the training of PIEAS fellows and act as supervisors/co-supervisors to many Ph.D. students. Recently, a number of new equipments have been installed in central diagnostic labs for synthesis and characterization of advanced materials. In order to enhance the collaboration among researchers of PINSTECH and PIEAS, Physics Division and Materials Division (PINSTECH) have arranged a two days symposium on "Materials Research at Nilore" to be held at PINSTECH in August 2010. Scientists from various establishments are encouraged to present their results. In addition, scientists/engineers from projects at Nilore complex are invited to attend the symposium and share their requirements regarding production and characterization of materials. Holding of this symposium will not only provide a forum to researchers to share their knowledge, but also will be helpful in sharing the equipments available at PINSTECH and PIEAS.

Pakistan Institute of Nuclear Science and Technology

Nilore, Islamabad

NOMINATION FORM

PHOTO

Name: _____

Designation: _____

Establishment: _____

Telephone No. _____

Office: _____

Residence: _____

Fax No.: _____

Email: _____

Address: _____

Presentation: (Please attach Abstract)

Oral Poster

Nominee Signature: _____

Recommendation of the
Head of Establishment: _____

**Deadline for Submission of Abstracts
and nominations is 31st May, 2010.**
